

# The Power of WE

“Do Something God-Sized”

Feb 27 & 28, 2010

Josh Remy, Pastor

## A Simple Building for God

(Exodus 36:1-7, pg 57-58 in SCC Bibles)

- The people gave God their time
- The people gave God their talent
- The people gave God their treasure
- When everyone gives what God leads, there will always be more than enough

## Accomplishing God-Sized tasks

(John 6:5-13, pg 641 in SCC Bibles)

- There are challenges that are bigger than WE
- Sometimes, great obstacles test my faith
- God initiates God-sized things
- God-sized things don't happen without sacrifice
- WE do the ordinary and let God do the extraordinary

WE is safer than ME

WE is sharper than ME

WE is stronger than ME

All focused on God, WE have incredible power

Going Deeper...

For discussion or personal study

# The Power of WE

“Do Something God-Sized” – part 4 of 4

## Questions

1. How have I responded when I've been told I can't do something? Who said it? Were they right?
2. Why is important to give God our time, talent, and treasure... doesn't He already have everything He needs?
3. What keeps people from giving as God leads?
4. What are some examples of God-sized things that I've seen happen? Have I ever been a part of something like that?
5. What is the value of sacrifice?
6. What is our role in accomplishing God-sized tasks?

## Scripture

Read the following snapshots of the first church: Acts 2:42-47; 4:32-35; 6:1-7

- What did the early church do that was God-sized?
- What kinds of sacrifices did they have to make?
- Why was important to have everyone focused on God?

## Application

- What does God want us to do that is bigger than us?
- What is my part in that God-sized task?
